

31TH INTERNATIONAL  
**THERMAL CONDUCTIVITY** CONFERENCE

& 19TH INTERNATIONAL  
**THERMAL EXPANSION** SYMPOSIUM

**SAGUENAY, QUEBEC, CANADA** **JUNE 26-30, 2011**

The 31th International Thermal Conductivity Conference (ITCC) and the 19th International Thermal Expansion Symposium (ITES) will be held in Saguenay, Quebec, Canada, from June 26 to 30, 2011.

These two conferences are held concurrently every two years. Our mission is to provide a forum for the free exchange of ideas, advancement of the science, training of new professionals, and discussions of the state-of-the-art in thermophysics.

Papers are solicited in all applications related to THERMOPHYSICAL PROPERTIES measurement methods, equipment, processes, theory, new developments, etc. In addition to the traditional topics, the conference will focus attention on green-energy applications, energy conservation, with new improved insulations and research related to global warming.
